About Us

We, **Darkwing Chemical Private Limited** from **2018** are manufacturing a high-quality range of Waterproofing Compound, Cement Additives, Exterior Emulsion Paint, Wall Putty, etc. Healthy growth of clientèle base ensured us the easiest path to success. All these products are quality assured by the executive to ensure longer life.

Since our inception, we have successfully created a string of records with excellence in a short period of time and have been reinventing ourselves more effectively generation after generation. Quality is the foremost aspect that we like to maintain in each of our product. For this, we have developed a well-linked distribution channel.

Our mentor, **Mr. Vasi Darkwing**, has guided us to be able to reach such heights. His constant support to this company is a very truly remarkable one.
